Dear colleagues,

As we jump into the spring semester, I have my first email of the semester on negotiations!

Since this Friday marks seven months until the expiration of the current contract period, in accord with Article 3 of the [Faculty Contract](#), members of the FAC and FPC table teams are slated to meet tomorrow afternoon for the first time. We anticipate this meeting to be primarily organizational in nature, and so at this point, we don't expect to be following up with any substantive updates. However, we do hope to have more information flowing as we progress through negotiations and encourage FAC members to attend our union meetings this semester for this. For your convenience, I copied the dates and location of our spring meetings at the end of the email.

Best,
Stacey
